CRIMINAL INFORMATION

COUNT ONE

THE UNITED STATES ATTORNEY CHARGES THAT:

Beginning in or about 2011, the exact date being unknown, and continuously thereafter up to and including September 20, 2016, in the Eastern District of Virginia and elsewhere, the defendant WILLIAM E. GROBES, IV, did knowingly combine, conspire, confederate, and agree with K.G., C.H., and other persons to knowingly devise and intend to devise a scheme and artifice to defraud and for obtaining money and property by means of materially false and fraudulent pretenses, representations, and promises, for which the defendant and co-conspirators transmitted and caused to be transmitted by means of wire communications in interstate commerce certain writings, signs, signals and sounds, for the purpose of executing the scheme and artifice to defraud, in violation of Title 18, United States Code, Section 1343.

WAYS, MANNER, AND MEANS TO ACCOMPLISH THE CONSPIRACY

The ways, manner and means by which this purpose was carried out included, but were not limited to, the following:

1. The purpose and object of the conspiracy to commit wire fraud and the scheme and artifice to defraud included, but were not limited to, the use of false pretenses, representations, promises and material omissions in order to fraudulently obtain Department of Veterans Affairs (VA) Post-9/11 GI Bill education assistance payments.

2. It was part of the conspiracy that the defendant, WILLIAM E. GROBES, IV, K.G., and C.H. owned and operated the College of Beauty and Barber Culture (CBBC), a barber and cosmetology school located in Chesapeake, Virginia.

3. It was further a part of the conspiracy that the defendant and co-conspirators obtained approval to receive VA education assistance benefits by representing to the VA, among other things, that it was providing courses to veterans and other eligible persons that were taught by CBBC instructors.

4. It was further a part of the conspiracy that the defendant and co-conspirators certified to the VA by way of VA Forms 22-1999 that each veteran enrolled at CBBC was receiving the allotted hours of instruction consistent with the course for which the veteran had been approved.

5. It was further a part of the conspiracy that the defendant and co-conspirators provided false information to the VA concerning the number of hours of instruction and the manner and quality of the instruction provided to veterans whose CBBC tuition was being paid by the VA.

6. It was further a part of the conspiracy that the defendant and co-conspirators falsely represented to the VA that CBBC was in compliance with the requirement that veterans receiving VA tuition assistance do not make up more than 85% of their student population.

7. It was further a part of the conspiracy that the defendant and co-conspirators made false representations and omissions to VA Education Compliance Survey Specialists and other VA personnel conducting compliance reviews of CBBC's adherence to VA rules and regulations.

8. It was further a part of the conspiracy that CBBC then received direct tuition payments from the VA under the Post-9/11 GI Bill, which payments were directly deposited into bank accounts opened, controlled, and maintained by the defendant and co-conspirators.

9. It was further a part of the conspiracy that the defendant and co-conspirators would and did derive substantial proceeds from their scheme and artifice to defraud.
